Expectations of Members

I understand that:

The chorus will rehearse every Monday evening, 7:00 to 9:00 PM. There may be several sectional rehearsals and extra rehearsals on concert week-ends

Members are expected to attend each and every rehearsal. If unable to attend more than two, a member is asked not to perform that specific program

Dues of \$100 is required of each member for the 2008/2009 season, may not be prorated, and must be paid within the first month unless special arrangements are made with the Treasurer

Concert dress is a black tuxedo for men and the purchased uniform black dress for women

Members must sign an agreement that assigns rights for use of recordings to the Society
